

# Spanish learners needed for linguistic research

This is linguistic research on bilingualism. The purpose of this study is to understand how English speakers learn and use Spanish.

## Can I participate?

If you are an **English** speaker, you know **Spanish** and you don't have hearing or visual impairment, **you can**

## What will I have to do?

The research will be held online or in person in Spanish and Portuguese Department and has only **ONE** session less than **60 minutes**. You'll:

- ✓ Listen to the recordings
- ✓ See cartoon images and texts
- ✓ Finish two sets of multiple-choice questions

## Benefits

You can choose

- A) **\$15** cash or gift card if participate in person
- B) **\$10** gift card if participate online
- C) extra credit from Spanish and Portuguese Department

## How do I participate?

If you are interested in participating, please contact us at [jiawei.shao@rutgers.edu](mailto:jiawei.shao@rutgers.edu) or scan the QR code to start the screening survey.
